### Comments:

There were two new winners for 2011 at the final qualifying event held at Cowpen Bewley Country Park. Gary Grounds, made his first appearance of the season following injury, and he came home clear of Andy Pearson and Richard Fawcett, who just held off Dez Fielden for 3rd place. In the women's event, Louise Trainor had a comfortable winning margin over Lucy Jefferies who was followed in 3rd place by Shelli Gordon.

The course was designed to avoid the main dog walking area, and to minimise the need for marshalls, so this meant that there were two ascents of the hill! I hope you found the terrain interesting, fortunately it was dry and so it did not become a "cross country" event. Thanks are due, as always, to our marshalls, also to Vicky from Stockton Sports Development, who provided the spot prizes and David Askey from the Centre for his support. Once again, my work colleagues' assistance was most appreciated.

We will be publishing the final points position shortly. In order to qualify for awards you must have competed in a minimum of 3 races. As you may be aware, the winners and runners-up in each age group are awarded a prize, and we then allocate further prizes based on the number of competitors in that group. Prizes will be presented at the handicap race to be held on 11th August at Wynyard Country Park, Thorpe Thewles. More details about this later on this website.

Never forgetting the efforts of Bob and Rob!
